FIRE BRIGADE OFF TO A GOOD START

POOL REPLIES TO DEALER'S CRITICISM

Last Friday night the members of the Fire Brigade held a meeting in the Town Hall, with Chief McFarland and about twenty members present. The Chief, Deputy Chief, and W. H. Wilson were appointed a committee to arrange for any changes, replacements, and repairs that they may find to put the equipment in good condition. The Chief, Deputy Chief, and T. Schulte were appointed a committee to make recommendation to the Town Council regarding new equipment that is required.

Claims for damaged clothing at the King Edward Fire, amounting to \$156 were presented, and referred for payment to the Town Council. The funds were ordered to be deposited in the bank, until such time as Ted Schulte can think up some plan of spending.

The question of the possibility of injury to the firemen was discussed, and T. Schulte explained that the Town Council had taken the matter up with the Workmen's Compensation Board.

LANGDON

Mr. J. C. Fortin left on January 2nd for Chicago, where he will visit with his son and other relatives.

Mrs. Wm. Barron was a Medicine Hat visitor the past week.

Mr. and Mrs. R. Holt, of Inmanville, have been guests at the home of Mr. H. Peters. Mrs. Holt will be better recognized as Miss Mabel Holt, Mrs. Peters's sister. They were married New Year's Day. Heartiest congratulations.

The following officers were elected at the annual meeting of the Women's Institute, held December 18th: President, Mrs. E. T. Moore; Vice-president, Mrs. H. W. Jesse; 2nd Vice-president, Mrs. L. Bille; Secretary-Treasurer, Mrs. W. Smith; Directors, Mrs. H. L. Griffin, Mrs. L. Lewis, Mrs. H. Dain and Mrs. Albertson.

The W. L. is holding a series of "500" parties, beginning Monday, January 10th. Five parties will be held, prizes to be given each time, and grand prizes at the end of the series.

Mrs. O. Rotford, Mrs. J. C. Fortin and Mrs. W. Smith were C.P.R. passengers to Calgary Saturday.

Miss Helen Marshall of Calgary was a week end guest at the home of her parents.

Mr. Albertson was elected a trustee of the Philip School Board, as the annual meeting held January 8th.

J. Brander has been appointed Secretary-Treasurer of the Village of Langdon.

Langdon Hockey Club met defeat in a 6 to 3 game at Chesdale on Sunday.

Christmas examinations, Violet Hyslop's average should have been 48 instead of 38.

The Junior Red Cross of Miss Son's fund's room sent a Christmas hamper to the Children's Hospital in Calgary.

The fire adjusters having completed their work in connection with the loss on the King Edward Hotel Block, Mr. A. E. Cross, President of the Calgary Insurance Company, visited Strathmore on Monday to complete arrangements for the changes and repairs to the building.

Mr. Cross is one of Alberta's oldest timers, and is known as one of the "Big Four"; the other members being Mr. Pat Burns, Mr. Archie McLean, and the late Geo. Laid.

These four men have had much to do with development in the Province of Alberta, through their goodwill spirit and co-operation.

A few years ago, when the Calgary stampede was first mentioned, it was these four men who came forward and voluntarily guaranteed expenses to the extent of over one hundred thousand dollars, and through the success, made financially at that time, the Calgary stampede has developed, until today it has a world-wide reputation of being the class of all Canadian stampedes, (except Strathmore) and fully equal to anything which is being produced in America.

This visit of Mr. Cross was his first to Strathmore, and while here he met Mayor Bell, and a number of the business men, and talked over the present office situation, with the result that Strathmore office will occupy the site where the mail is now being collected, together with premises formerly occupied by the Strathmore Meat Market.

This change will give Postmaster Martin sufficient room to enable him to continue his good work, and the public enough space to transact business in comfort.

Several changes in the Block will be made, the third story over the store of Gately & Fisher will be removed, which will materially lessen the fire hazard that has always been carried in that portion of the building. The rooms of the hotel are to be repainted and decorated and new carpets laid, and the outside of the building painted, all of which makes Frank Miller very mad, but the travelling public will most appreciate the improved condition.

Mr. Cross was much pleased with his first visit to Strathmore, and solemnly promised to not postpone his future visits over such a lengthy period.

MARRIED AT CALGARY

The marriage took place at Knox United Church, Calgary, Saturday, when, in the presence of a large number of guests, Miss Alice Eugenia, youngest daughter of Mr. and Mrs. B. F. Ambrose, Strathmore, became the bride of Charles Hulse Taber, of Calgary.

The bride was attired in a French model of shrimp colored chiffon, embroidered in gold with a flourish of black silk lace. A gold leaf bandeau and corsage bouquet of Opheelia roses and lilies of the valley completed her attire.

Mrs. H. H. Stone, sister of the bride, was the matron of honor, and chose a gown of deep fringed dark velvet.

The groom was supported by Mr. H. J. Stone. After the ceremony a wedding dinner was served at the Tea Kettle Inn, Mr. and Mrs. Taber will reside in Calgary.

ALBERTA'S COAL TOTALS FIFTY-SEVEN BILLION TONS

The green was supported by Mr. H. J. Stone. After the ceremony a wedding dinner was served at the Tea Kettle Inn, Mr. and Mrs. Taber will reside in Calgary.

Alberta's coal supply is about 57 billion tons. Premier Brownlee declares, "With the possible exception of China, Alberta has the greatest coal deposits in the world. The annual production from the province averages around 5,000,000 tons."

The Fire Laddies came in for all kinds of praise, during and after the recent fire, owing to the very efficient work. They have arranged for a dance in the Memorial Hall on Friday, January 21st, and each person will have an opportunity to show his appreciation.

The Fire Laddies' slogan is: "Say It With Flowers." Let yours be: "Say It With Real Coin." Buy a ticket whether you dance or not; whether you can go or not; whether you are going to be away from home or not. Your home or your place of business may be the next one that the "boys" may have to turn out of their nice warm downy couches, to protect your life and your property. Don't forget and come across for one or more tickets. You will be glad and the Fire Laddies will appreciate it.

The financial statement of M. D. Bow Valley, No. 219, is all ready for publication, but owing to extra advertising in the Standard, has been held over until next week's issue.

John H. Cape is busy putting secretary-treasurer Wears through his drill, completing the final audit of the books of the Town of Strathmore.

The friends of Mr. and Mrs. Lloyd Doyle will regret to learn that their son is seriously ill with pneumonia.

The Best Room for which the Women's Institute has been working, is now a fact. They have leased a portion of Mrs. Kew's confectionery and it is now ready for public use. The people of the district are cordially invited to make use of the Best Room.

Miss Esther Zerkle, who spent the holidays with her parents, returned to Mount Royal College at Calgary on Friday, to resume her studies.

A regular meeting of the Women's Institute will be held at the home of Mrs. Nelson White on Wednesday, January 18th, at 2 p.m., at which a large attendance of the members is requested.

Thos. Kildee spent the Xmas holidays with his parents, and returned to college at Regina on Friday last.

Mrs. Bekke has returned after spending a holiday with her mother, Mrs. Schulte, at Chesdale.

A change in business of much interest took place on Monday, when Ambrose Ray purchased the Pioneer Meat Market from Miller & McLean. Charles Hulse Taber, of Calgary, and his friends are hoping that in their plans they may be remaining as citizens of Strathmore. In case that is not possible, each and everyone will wish them in any new field that they may enter. Mr. Ray is quite enthusiastic over coming into possession of the Pioneer market.

The annual meeting of the Parish of St. Michael & All Angels Church, Strathmore, will be held in the Dining Room of the Memorial Hall on Monday evening, January 17th. Doors open at 6:30 p.m. All members and supporters are earnestly requested to attend.

Robert Barr has just received word of the death of his father, Robert Barr, in Scotland. The late Mr. Barr was well known in this district, having been a visitor during which time he made many friends.

E. Bartlett, of the Balfour district, who is one of the successful planter farmers of Strathmore, has

The following salient features were taken from a circular issued by C. M. Hall, manager of the Alberta Pool Elevators, to his agents:

That the Grain Trade is unfair and inaccurate in its criticisms of the Wheat Pool.

That the Grain Trade is compelling non-Pool farmers to pay for the expensive campaign being conducted against the Pool.

That non-Pool farmers are contributing to the Grain Trade in "grades" on street grain nearly three times the amount that Wheat Pool farmers are required to pay.

That on "street grain" non-Pool farmers, according to a recent buying list, pay the Grain Trade an average spread of from 13 to 14 cents a bushel.

That the Grain Trade's lowest margin on "street wheat," according to a recent buying list, is between 8 and 9 cents a bushel.

That the Grain Trade's highest margin on the same list is between 16 and 17 cents a bushel.

That if a line elevator receives in one day 2,000 bushels of non-pool wheat the gross elevator profits are around \$550.00.

That if the same elevator receives 2,000 bushels of Pool wheat in one day the gross amount of profit to that elevator is \$300.

That non-poolers thus have to pay nearly THREE TIMES AS MUCH AS POOL MEMBERS.

That in view of the above figures the line elevators can see well afford to lose a trade where they enter into competition with Pool elevators, and are desirous of discrediting the Wheat Pool.

On top of the profits on these wide spreads there are the following profits available to the Grain Trade on non-Pool wheat: profits on export, profit on milling, profits on Vancouver premiums, profits on the difference between the Vancouver and Port W. freight rates.

NAMAKA

A meeting of the Namaka No. 122, was held in the L.O.O.F. Hall on Friday, January 7th, with a good attendance. R. W. Lawrie was elected president; J. A. Wheeler, as alternate delegate.

The funeral of Thos. H. Buckertoff took place on Thursday, the Rev. Mr. Hawkins, of Rockyford, conducting the services. Among the floral tributes were the following: Sprays from Mrs. Buckertoff, Mrs. Tibbels, Mr. and Mrs. S. Sorenson, Mr. and Mrs. H. G. Scher, Mr. and Mrs. Rowe Harvey and family, Mr. and Mrs. B. CRAIGANTER

The Craiganter school opened on the 14th, under a new teacher, Mr. Gillespie. Mr. Gillespie comes well recommended. He resides with Mr. and Mrs. W. Macdonell.

The Craiganter annual school meeting was held in the school house on the 10th, when quite a number attended. The attendance is generally good because they generally have the ratepayers' annual fight, which should not be in this district since it came to be that all school trustees have to be British subjects. We cannot get any new blood to fill any vacancy that may be, so the old ones have been returned at this meeting. We had to go around and try and persuade Mr. Mike Christenson to take the office. The district has had a school since 1912, and every annual meeting since

Everyone enjoyed themselves dancing to the old time music, some playing cards and other games. There is generally a good time at Fred's, so they will move there likely get another surprise in the near future.

The next meeting will be held at the home of Mrs. Harry Wilson, January 20th.

There was a splendid attendance at Rosebud United Church on Sunday evening, and Mr. Halstead's excellent sermon was thoroughly enjoyed. The infants son of Mr. and Mrs. Evans was christened during the service.

Walter Gross has organized a group of boys of the impressionable age into a unit of the Trail Rangers. There are seven boys so far, from 12 to 15 years of age, and they meet every Tuesday evening from seven until nine in the school basement. The boys are very much interested, and Walter is to be commended on his action, as these boys have reached an age where they demand a little more excitement and recreation than Rosebud has heretofore provided. The training is both spiritual, educational and physical. They are holding their initiation Tuesday night, and have been registered at headquarters as the "Polar Bears," so if you meet a bear some dark night do not be frightened, as it won't likely be a grizzly.

Considerable interest has been aroused lately in skating on the ice in the Rosebud Creek, and every day sees a larger crowd of men, women, and children enjoying this healthy pastime. On Saturday last the children were treated to a feed of hot dogs by some thoughtful persons. We understand it was Mr. Jones and Mr. J. Sanger. It must have been a real feed for some of the boys were comparing notes afterwards, and were heard to say that one boy ate eleven hot dogs. He must have dreamt all night. In fact, at that rate he should have barked. However, no casualties have been reported. Boys will be boys.

The Bridge Club held an oyster supper and card party at the Wilson Pool room on Friday night last. Everyone had a very enjoyable time, and if the Club did not make much money, those who patronized it certainly got their money's worth. The Bridge Club is in possession of a few more dollars just presented, as they have recently purchased five nice folding card tables, and would like to invest in some more folding chairs. The prizes at bridge were won by Mrs. Keller and Mr. Simpson, and the consolations went to Miss Nellie Gross and Mr. Otto Christensen.

The Improved Ford Runabout

THE Runabout is one of the most notable body types among the Improved Ford cars. The body is all-steel, with lower sweeping lines that give the car a sportive zestful air that assures for it a tremendous popularity.

With the new windshield, ventilating in the lower half, the dropped steering column and greater roominess, the comfort of this car matches its outward appeal.

Both utility and comfort have been served in enlarging the rear deck compartment.

CARSELAND

Harold Smith is naturally a highly nervous type, and while still quite a young and promising young man he had some varied and exciting experiences. While overseas he was in the habit of spending some of his leave in one of the small towns near London, with some distant relatives, one of whom had a very charming daughter that quite attracted the eagle eye of the dashing young warrior. Among his new found friends was the station agent, whom he also used to visit. One evening when he had left the station and was on his way to his friend's home, it was very dark. His road from the station was a lonely one. Suddenly he suspected that a man behind was following him purposely. The faster he went, the faster the man followed until they came to the cemetery.

"Now," he said to himself, "I'll find out if he's after me," and he entered the cemetery. The man followed him. He circled a grave and his corner jogged after him. He ducked around a family vault, and still the man was after him. At last, he turned and faced the fellow.

"What do you want? What are you following me for?"

"Well, sir, it's like this," said a small voice. "I'm going up to Mr. Brown's house with a parcel, and the station agent told me if I followed you I should find the place, as you live next door."

DALEMEAD

On Saturday, January 2d, the home of Mr. and Mrs. Cliff Coomer was the scene of a very enjoyable social evening in honor of Gladys Coomer, who left on the night train for a three months trip to Kansas City and Chicago, Ill. A large number of her friends gathered at the Coomer home and at one, everybody accompanied her to the train.

A Junior U.P.A. committee meeting for the purpose of discussing the year's progress, and prepare for further action, was held at the home of Mrs. Brabbin Wednesday afternoon. All the officers were present, and a fine discussion took place.

A surprise party was held at the home of Mr. and Mrs. S. M. Newton Friday, January 7th. Everyone spent an enjoyable evening.

Saturday, January 8th, was a day of busy U.P.A. activity in town, when three locals held their annual meetings. The U.P.A. and U.P.W.A. elected the following officers: U.P.A.—President, Harold Phillips; vice-president, Martin Van Der Velde; secretary-treasurer, Jack Holbe; delegate to the convention, Harold Phillips and L. C. Hlat. U.P.W.A.—President, Mrs. Phillips; Mrs. Martin Van Der Velde, vice-president; and Mrs. A. Van Der Velde, secretary. Mrs. M. Van Der Velde was elected to represent the local at the Edmonton conference.

The annual meeting of the Junior U.P.A. was their fourth, and one of the best on record. The program was opened with the singing of O Canada, and community singing was taken up between all program number. Encouraging reports were given by the 1926 officers, and Mrs. M. Van Der Velde, who has been their superior for the last two years, also gave a short talk. Charlie Haskayne gave an address entitled, "Winter Holidays."

STRATHMORE HOCKEY TEAM DEFEATS CALGARY HERALDS

The hockey season was opened last night, when the local boys played the Calgary Herald. It might very well have been called "Pie" Groux night, as he was in rare form, and had the satisfaction of scoring five of the six goals obtained by the local boys, while the other one was scored by Archie Gray.

In the first period Pie secured one goal, and the Herald scored twice, but "Pie" tied the score, and then, with a beautiful shot from close, closed the period 3 to 2.

In the second period Brown of the Herald scored twice and Creighton once, but "Pie" was again on his job, and succeeded in making the net twice and Archie Gray came across with another one, the game ending 6-5 in favor of Strathmore, as neither side scored in the third period.

There were a few casualties. Collison requiring three stitches in his lip, while Brown of the Herald needed a few minor repairs.

The game was exceedingly clean, no penalties being awarded. Referee McFarland was on his job every minute, and kept the boys under control. Milson and Moran were the goal judges.

The teams faced each other as follows:

Calgary—Goal, Chidlow; defence, Grisdale and Wilson; forwards, Hamell, Brown, and Creighton; subs, Hammond and McDougall.

Strathmore—Goal, Gene Groux; defence, Gannon and Creighton; forwards, Bill Gray, Ed Groux, and Billie; subs, Nichol, Archie Gray and Crellin.

I.O.D.E. ORGANISED

The next meeting will be held in the Memorial Hall on Monday, January 17, at 8:30 p.m. All who are interested in the work of the I.O.D.E. are invited to attend.

The following officers were elected for the ensuing year:

Regent, Mrs. A. A. Moore; 1st Vice, Mrs. D. French; 2nd Vice Mrs. Dr. Harcourt; Secretary, Mrs. Springhopper; Treasurer, Mrs. J. French; Educational Secretary, Mrs. E. Whiteside; Echoes Secretary, Mrs. Swetnam; Standard Bearer, Mrs. G. Kearse.

FAIRPLAY NOTES

A change in teachers took place at the beginning of the New Year, Miss Miller, formerly a substitute in Calgary, taking the Fairplay school; Mrs. Leader, who commenced the term, going to the Bennett school; and Miss Emma Welsheimer, teaching at Bennett for two years, decided she would only teach one in the future.

The annual school meeting was held in the schoolhouse on Saturday, Jan. 8th. Mr. E. L. Albertson was elected trustee, filling the place vacated by D. McIntosh. He was also elected to take part in the Landlord School Fair, Mrs. L. Dahl to represent Fairplay school.

Mrs. and Mrs. H. Baldwin have returned home after spending the holidays in Calgary with friends and relatives.

Mr. and Mrs. Walker, are spending the winter months in Washington.

Mr. and Mrs. B. Holt, of Inlandville are visiting H. A. Peterson. Mrs. Holt is a sister of Mrs. Peterson.

Bert Tolbot was seen on the streets of Calgary Thursday.

Mrs. and Mrs. H. Dain and son, Fred, took supper with Mr. and Mrs. E. B. Welsheimer Sunday.

Mrs. and Mrs. R. Drimwater, of Inlandville, is visiting with their daughter, Mrs. E. L. Albertson.

Mr. Albertson's parents spent holidays with them, and are now in Calgary for a few days.

Mrs. E. Gaertlin and family have moved to their new home south of Carleton Place. We all regret having them leave our district, but wish them every success in their new home.

E. B. Welsheimer gathered two hundred dozen eggs in December from his one hundred and eighty singlecomb white Leghorn pullets.

based on Billie Garston's beautiful poem, "Lord of the Far Horizon." Following this the 227 officers of the local met for the 2025 monthly Executive. J. Jace, Vice-president, Bill Brandt, and Secretary-Treasurer, Frances Coon. The local starts out with an energetic group of officers, and some real work is being planned. All the Juniors should back them up.

MR. HIBBERT VISITS THE UNITED CHURCH

On Monday evening last, the Girls' and Boys' Groups of the United Church, and the Teachers of the Church School had the opportunity of meeting Mr. R. W. Hibbert, Secretary for Alberta of the Religious Education Council. This is the Provincial organization of all Protestant Churches in Canada and Young People's work. Five groups, the Golden Key Girls, C.G.I.T., Explorer Boys, Trail Rangers, and the Young People's Society, were well represented at the meeting, which began with a banquet. About sixty sat down at the tables and later heard a fine address from Mr. Hibbert, who is a master of his field of work. Then, after the boys and girls had gone, or were washing dishes, Mr. Hibbert had a short, round table discussion with the teachers and some members of the Y.P.S., where it was decided to have a week of intensive Leadership Training at some time a little later in the winter. At this Leadership Training School will be taken up a study of "The Teaching of Jesus."

Mr. Hibbert was greatly appreciated by the teachers who were present, and by the young people of the Church of whom there are over sixty enrolled, and participating in the Christian Training for service of the various groups.

BETTER FIRE PROTECTION MEANS MONEY SAVED

The recent fire gave the newly or-
ganized Fire Brigade an opportunity
to make good, which they did to the
general satisfaction of all concerned.

The foresight of the Mayor and the
Council in providing extra equipment
was certainly appreciated, and was the
means of preventing a very serious
contamination, the extent of which
may only be estimated.

The present is an exceedingly op-
portune time for the Council to open
up their purse strings and separate
Secretary-Treasurer. We are from suf-
ficient funds to further equip the Bri-
gade to be in a position to contend
with any future fires that may take
place.

The insurance adjusters were much
pleased with the protection given,
and it should be possible to obtain the
advice of the people in authority who
make the towns classification in regard
insurance rating and by carrying out
their suggestions, secure better fire
protection, by having more protection
in the matter of suitable fire fighting
apparatus, and by reducing hazards
that are needless, gaining in addition
lower insurance premiums, which
would be direct saving to every rate-
payer.

The saving that might be made
would more than offset any increased
rate of the municipal taxes.

The lack of this equipment does not
save money, as the basic rate is main-
tained at the higher cost in order to
protect the insurance companies, who
in all fairness, would rather have less
money and less risk.

Now is the time to act, before in-
terest in the recent fire wanes, when
one and all will be inclined to post-
pone action.

Do It Now.

WHAT ABOUT A GREAT BIG HORSE SALE

Last year, a beginning was made
to hold a Community Horse Sale in
Strathmore. It was not quite up to
the mark, mainly because it was put
on too hurriedly, and at giving the
farmers time in which to get the ani-
mals in fit shape for marketing.

High River had a most successful
sale, and are going to repeat again
this year.

Would this not be an opportune
time for the Auctioneer King of the
Bow Valley, A. Layzell, to start some-
thing, making the date of sale about
the same time as that of High River,
so that eastern buyers could attend
these sales and make their shipments
in carload lots?

The farmers of this district have
quite enough surplus horses which
would make a real sale, and bring lots
of new money into circulation in the
Bow Valley, which would materially
assist every live business firm in the
Valley.

A sale of this kind needs the sup-
port of the business men, and the co-
operation of the farmers.

Advertising in the eastern press
should be carried on in order to se-
cure the attendance of the outside
buyers.

Auctioneer Layzell could be sup-
ported through an entrance fee, which
would cover the cost of the current
advertising, and as he holds so many
sales in the district, he might be in-
duced to conduct the sale upon a small
commission basis in order to get the
sale established as an annual event,
which would be a good thing for him,
for the farmer, and for the business
people.

The sale can be put over, if given
proper local support, and the Standard
would like to hear from Mr. Layzell
and others who have suggestions how
to make it a success.

BAINTREE

COMMUNITY CLUB NOTES

The Baintree Community Club held
 its first meeting for this year at the
 home of Mrs. Vancamp last Thursday.
 The secretary gave a most encourag-
 ing report of the growth of the hall
 fund. Proceeds from the bazaar and
 a few donations have brought the
 bank balance up to over seven hun-
 dred dollars.

This year's social activities will com-
 mence with a whist drive to be held
 in the schoolhouse on Saturday, Jan-
 uary 22nd. Mrs. Longbottom is in
 charge of this function. A play, "A
 Clergyman's Courtship", to be put on
 in the Rockford Hall, will probably
 be next in order, as the cast is begin-
 ning rehearsals at once.
 Owing to the resignation of Mrs.
 Kimmett, the president, the club de-
 cided to have a general election of
 officers at its next meeting, to be held
 at the home of Mrs. Bannister, on
 January 20th. Every member is urged
 to attend this meeting, as a full turn-
 out is of the most importance, not only
 in appointing the new executive, but
 in planning the club's program for
 1927.

At the conclusion of this first rather
 lengthy meeting the ladies enjoyed a
 delightful lunch served by Mrs. Van-
 camp.
